

Bonneygrove Primary School Newsletter

5th July 2019

Message from Mrs Gable

Thank you for all the support and generosity you've given the school this term. Our children, parents and staff always join in with our events, from singing and racing down tracks to buying doughnuts and donating amazing items and prizes for the Summer Fayre. Wearing green to support Clean Air Day was very well supported and non-uniform day, as always, was enjoyed by the children. With the holidays fast approaching, I would like to say that fantastic learning will continue until the very last day of term so don't miss it!

Amanda Gable

A VERY BIG THANK YOU!

Bonneygrove are sending a big thank you out to Mr Pierce. Mr Pierce has very kindly donated the use of all gazebos, seating etc. for our Summer Fayre and also all the lighting and microphones for our Year 6 Performance.

Nursery Sports Day

What a fabulous Thursday for our Nursery Sports Day. The children had awaited this event with eager anticipation and couldn't wait to impress their spectators with their skills. The highlight of the morning being the obstacle race where the children had fun running with eggs and spoons, jumping on the spaces hoppers and building a tower. This was only eclipsed by the mums and dads races!! We were so proud of our children and parents who made this such a memorable occasion.

Scooter Training

Last week Year 2 students enjoyed Scooter Training. They learnt about road awareness, control and the importance of using their brakes. Children practised a range of skills including changing directions, using their brakes to stop and weaving in and out of cones as well as what to look out for when vehicles are reversing.

Around the World Day

Places that can usually only be visited by hours of travel came to life in our classrooms last week. Children enjoyed tasting the food, learning about traditions and learning how to say 'Hello' as well as finding out about other countries.

Did you know that the traditional meat of Peru is Guinea Pig?

Ask your child what they learnt, to test your knowledge.

Year 6 Performance

Rehearsals are going well - Don't forget to put the dates in your diary!

Tuesday 9th July & Wednesday 10th July 2019

A CELEBRATION FOR ASH HOUSE

Children from Ash House joined together to enjoy an after school sporting bonanza. There was cricket, football, rounders, gym equipment and parachute games.

It was a warm and sunny day so plenty of photo opportunities.

(Please check the website)

Year 2 Trip to ZSL London Zoo

25th June 2019

What an amazing time Year 2 had at London Zoo! They enjoyed meeting lots of animals, including a very friendly tamandua in the Rainforest, and got to experience camouflage first hand.

Year 4 ZSL London Zoo

We had a fantastic trip to London Zoo this week where we got to see a real variety of animals. Highlights of the day were definitely seeing Nemo swimming through coral, butterflies fluttering all around us and the gorilla spinning in circles putting on a brilliant performance. All of year 4 also took part in a Teeth and Feeding talk led by an experienced Zoo Keeper, where we learnt about animals and their teeth and whether or not they were a herbivore, carnivore or omnivore.

Flaming Good Time at Goffs Churchgate for 5GS

On Monday, 5GS visited Goff's Churchgate to take part in a Science workshop. The children got to experience what it was like conducting experiments in a secondary school lab. Some of the activities involved were exploding jelly babies, investigating firework flames using the bunsen burner and making volcanoes.

The children had a great time!

Dramatic Time at Goffs Academy for 5M

When 5M visited Goffs Academy this week they were treated to an imaginative and enjoyable drama workshop. They were asked to act out being in a computer game. Our hosts were impressed by our children's behaviour and talent. We're looking forward to many more learning opportunities with Goffs.

Thanks to their teachers and staff.
