Dear Parents and Carers

There have been a number of cases of conjunctivitis in our Reception classes. The guidance is that children can still come into school.

If your child is showing signs of conjunctivitis, it usually affects both eyes and makes them:

- red
- burn or feel gritty
- produce pus that sticks to lashes
- itch
- watery

If you spot any of these signs you can visit your local pharmacy who can prescribe a cream or drops to help clear the infection.

Please visit:

[Conjunctivitis - NHS \(www.nhs.uk\)](https://www.nhs.uk) for more advice on how to treat conjunctivitis.

Yours sincerely

Craig Hamilton
Headteacher
