

Bonneygrove Primary School Newsletter

27th September 2019

Message from Mrs Gable

It feels as though autumn is well under way with the change of weather. The first flush of the new school year has moved into the main business of learning. Both the teachers and the children are enjoying our new Horizons Curriculum. So much new learning is going on with Year 5 learning about Mexican and South American Art, Year 3 imagining they found an Egyptian tomb and Year 6 writing reports on our changing world. Our Horizons are certainly broadening. It is going to be an exciting year.

Amanda Gable

We are delighted that our children have been having more opportunities to take their learning outside as our first Golden Thread, The View from my Window, weaves its way through our new Horizons Curriculum. Here Year 1 are learning about place value outdoors and acting out a story about a stick. All our teachers are working hard to provide more opportunities for creative and engaging learning.

We went out looking for our own 'not a stick' in literacy.

It's not a stick, it's a

Fresh Bread

Did you know that our school kitchen freshly prepares bread and cakes for lunch. All the food served at Bonneygrove is made on the premises and is delicious. As the weather becomes colder why not, if they haven't already, give a hot school lunch a try, your child might really enjoy them.

Alexandros in Kestral class showed KS2 his musical talent in our celebration assembly on Friday. Alexandros, very impressively, saved up to buy his own guitar and equipment and is a self-taught guitarist. He practices every day- what a great example of perseverance.

In Nursery, learning can be wonderfully messy!

We love Mrs Staines positive way of letting parents/carers know that dirt is not always dirt, but evidence of learning and growing independence.

GOLD STARS

As you know, our children are given gold stars as house points to collect at school. If you have any of our stars at home can you please return them to the school. Thank you!

Friday 4th October 2019
