After school club**

## Helpers Wanted

Twiggles Explorers Forest school is looking for individuals to work alongside a trained and experienced Forest School Leader (and ex Primary School teacher) on a Monday afternoon 3.15-5pm at Bonneygrove Primary School's Forest School after school club. (Term times only).

-Looking particularly, for individuals with a passion for outdoors and working with children, as well as those wanting to learn basic bush-craft skills.

-Perfect opportunity for someone looking for a career in outdoor education, and/ or working with children and young people, or wanting to go on to train as a Forest School Leader. Or perhaps you know of a young adult who is looking to gain DoE volunteer experience.

-Applicants must be reliable, passionate and enthusiastic and not mind getting a little muddy!

*The only time we don't go out is in extreme windy weather or electrical storms, so applicants must be comfortable working in all British weather conditions and occasional rain (We have a large shelter we put up in the rain but we seem to miss the rain for most sessions).*

If you are interested in applying or would like to find out more- get in touch.

There is the potential for paid work for someone who would be able to attend on a regular basis.
