Message from Mrs Gable

Whilst we still have the advantage of the good weather, we have been taking the opportunity to be outside as much as possible. Lunches, picnic style, on the field and access to the forest have been a great success. Our children have now truly settled into their learning the routines are establishing themselves very nicely. Using Google Classroom so effectively last term has inspired us to build on this resource and home learning will go out via Google Classroom this week. Other ways to access the homework are still available. Enjoy the weekend, best wishes.

A Kind and Caring School!

At Bonneygrove we endeavour to provide amazing support for our children both in class via our Horizons Curriculum and out of class when a little extra is needed. Our nurture lead, Ms Purser, supports groups and individual children across the whole school; this provision is being revamped over the coming term. Going forward, our Wellbeing Support Team will largely support children through in-class interventions and where necessary specific sessions of 'fixed term' support will continue or commence. Together, we will work hard to be safe, kind and brilliant!

Birthday Treats

When it's your birthday there's nothing nicer than being able to celebrate together and our children love to share a little treat with their friends in school. This year, for obvious reasons, we are not able to do this. Instead, we are going to suggest that a book is given to the class to celebrate birthdays. If parents would like to give a book to the class, we will 'isolate it' appropriately and then share with the class.

Watch out for the launch of a book dedication template!

Dear Parents and Carers

We have had concerns over the number of parents who are gathering at the beginning and end of the day. Our 'soft start' is aimed at pacing the arrival of parents. Please ensure that you arrive during the slots and remain at a distance from other parents.

Thank you

Red, White and Blue Day

Sadly, Red, White and Blue Day will not be taking place this year! The charity are not running the event this year. We are therefore unable to support them the way we have done for many years. This is something of a tradition at Bonneygrove and I feel that the children enjoy the opportunity to show their support. Therefore, we would like to still have a special day where children can come to school in non-uniform. Friday 2nd October is now a 'be yourself day' a chance to wear something that you are comfortable in and enjoy wearing. Please keep shoes sensible; school ones are the best!
