Year Five Autumn Term 1

Follow our Instagram account for updates,
information, and a celebration of our learning!

@bonneygroveps

English

Narrative (Traditional Tales of legends): Final Outcome: Reflect on the main character of the legend from different viewpoints. Re-tell the story from several different perspectives

Non-Fiction (Recount): Compose a biographical account based on research

Poetry (Vocabulary Building): Read, write and perform free verse. Write raps/spoken word poetry on topics relevant to the children's interests/motivations

PHSE

Being me in my world: This unit will focus on identifying goals and setting targets for the year. We will also focus our roles and responsibilities as citizens within our community.

This term we will be learning about

**Our 50 things to do before leaving
Bonneygrove...**

This term we will be

**Dressing up as an ancient
Greek!**

Mathematics

Place Value

In mathematics, we have been looking at place value, identifying the correct value of a digit, comparing numbers up to 1,000,000 and finding 10,000 more and less of a number.

History

The Ancient Greeks

Our Ancient Greece topic gives children the opportunity to study Ancient Greek life and achievements, and their influence on the western world. Daily Life In Ancient Greece, Athens And Sparta, discovering the ancient Olympics, the Olympic games then and now, Greek gods and goddesses and the Trojan War.

Curriculum Newsletter Bonneygrove Primary School

Science

The 'Living Things and Their Habitats' unit will teach your children about the process of reproduction and the life cycles of plants, mammals, amphibians, insects and birds. The children will explore reproduction in different plants, including different methods of pollination and asexual reproduction.

RE - Sikhism

In this enquiry, the children talk about how Sikhs live their lives according to their beliefs. This includes things they can do locally or travelling to a place of pilgrimage.

PE - Basketball

Children will learn the fundamentals of the game, skills and techniques to both attack and defend and the positions needed to play in a team.

Art – Greek Art

Coinciding with our history topic, children will look at materials and decorations made popular by the ancient Greeks and recreate similar designs.

Computing - Creating media: Stop motion animation

Pupils will understand how to explain what a search engine is, suggesting several search engines to use and explain how to use them to find websites and information. They will also be able to suggest that things online aren't always true and recognise what to check for.

School Values- *Resilience, Honesty, Ambition, Creativity, Kindness and Inclusion.*

You can join in with our learning at home by:

Reading:

Read with your child daily.
