

Bonneygrove Primary School Newsletter

16th April 2021

Welcome to our Summer Term Newsletter. I hope everyone had an enjoyable Easter break. In this Newsletter I hope to share some of our plans for the coming months. However, I have to let you know that whilst we will do everything, we can to ensure these events go ahead we are ever mindful that we are at the mercy of Government and Local Authority advice and guidance. We are keen to make as many strong and lasting memories this summer as we can, so sports days are back on, discos are planned and outdoor class assemblies are in our diaries. I am very excited and optimistic that we will be able to bring our curriculum to life once again and have a great summer. *Amanda Gable*

A new sparkle has been added to the Reception outdoor learning canopy with bright bunting and labels showing what is on offer and to keep things in their proper place!

Bringing learning to life this week in Reception. Life cycles are an important part of understanding the world around us and what better way to become familiar with some of the most interesting animals on our planet than to investigate wildlife. This 're-enactment' of a pond meant that children could touch and see what frogspawn might be like without endangering a single tadpole.

Sports Days

All Sports Day activities will start at 9:15am and finish at approximate 10:30am. Children to attend school wearing their PE kit, bring plenty of water, wear a hat and sun protection.

Year Group Assemblies (outdoors)

Except for year 6, all year group assemblies will begin at 2:30pm will last until the end of the school day when you will be able to take your child home.

School Disco

Run by the PTA and taking place in the KS1 hall. Reception and Year 1 children will be allocated a classroom where they will be able to change ready to go to the disco after school; parents are requested to come at the normal time to support their child with getting ready. Staff will also be on hand to help with dismissing the children - further details to follow.

Free School Meals Vouchers

Please make sure, if you haven't already done so, that you have activated your vouchers. There are around 4,000 digital vouchers, across the country, still waiting activation. If you have any problems with this, we are here to help.

When reporting your child as absent can you please call before 9.00 a.m. via the answering machine service on our telephone system.

Any absence paperwork, such as hospital letters, medical appointments etc. need to be emailed through to admin@bonneygrove.herts.sch.uk.
