10th November 2023

Dear Parents/Carers

Explorer Dome Earth Show

To compliment and enhance the children's learning of earthquakes and their cause, we are delighted to invite Explorer Domes to spend the day with Year Four on Friday 1st December 2023.

The sessions will focus on the importance of water, evaporation, condensation and the water cycle. We will explore plate tectonics and continental drift through the sights, sounds and smells of volcanos and earthquakes.

The cost of the workshop will be £10.00 per child. Please log onto your child's Arbor account under Activities/Trips by **Wednesday 15th November** to make payment. If there are insufficient voluntary contributions by 15th November this activity will not go ahead.

Yours sincerely

Craig Hamilton
Headteacher
