

## Curriculum Newsletter Bonneygrove Primary School

### Reception Spring Term 2

#### English

**Reading:** This term we will be reading a range of stories. We will be reading and mapping super worm and other minibeast stories. As it is world book day the children will have time to create their own front covers based on their favourite books.

**Phonics:** The children will be reading phase 3 words and practising their digraphs and trigraphs  
**Please look on the Bonneygrove website to find activities linked to all the sounds we have learnt this term.**

**Writing:** This term we are writing daily sentences to help us remember to apply our phonics, use finger spaces, a capital letter and full stop.

#### PSED

This term our topic is Healthy Me.  
We will be learning about healthy eating, healthy lives and healthy relationships.

Follow our Instagram account for updates, information, and a celebration of our learning!

@barney\_the bonnygrovebear

This term our topic is ...

The Great Outdoors!

**Important dates for the year group:**

**Friday 3:00 : Book Bonaza!**

**27<sup>th</sup> March 9:30: Spring walk**

**Our 50 things to do before leaving Bonneygrove...**

**This term we will be**

### Mathematics

This term we will focus on the composition of 9 and 10. They will be learning how to write a number sentence using + and -

**Collect objects at home and form number sentences.**

#### Understanding the world

Children will make observations about plants discussing similarities and differences. The children will get to plant their own beans and observe how they change over time.

We will also be focusing on Easter - Children will know why Christians put three crosses in an Easter garden.

## Curriculum Newsletter Bonneygrove Primary School

### Expressive arts and designs

This term the children will be exploring how to add music to familiar fairy tales. For example, we will be playing drums alongside Jack and the Beanstalks to symbolise the stomping Giant.

We will be experimenting with water colours to help us make mothers day cards, garden scenes and easter eggs.

The children will have the opportunity to make their own easter egg hunts for their friends to follow.

We will also be learning new nursery rhymes and exploring the rhyme and pattern that we can hear.

### Physical development

#### **Fine motor**

Children will learn to use cutlery appropriately.

**Please encourage your children to cut their food independently at home.**

#### **Gross motor:**

Children will learn different dance moves, step to a given rhythm and follow a routine. They will learn how to jump and land safely.

**School Values-** *Resilience, Honesty, Ambition, Creativity, Kindness and Inclusion.*

### You can join in with our learning at home by:

#### **Reading:**

Sharing their books daily. Please use the prompt questions on evidence me to support with this. Please record their reading in their diaries.

**Writing:** Practise segmenting and blending familiar words. Apply this to writing a simple sentence.

**Maths:** Learn number bonds to 10. Use the plus symbol to record.
