£50* Password: **leaf1**

plus a small booking fee. All craft resources, materials, additional staff wages & site rental are included in the price. **You can book at any time throughout the term for any remaining sessions, if there are spaces. Check the booking site for details. There are however, only 16 available spaces*

3.15-5pm. 1hr 45 mins per week @£10 per session

Pick up outside KS1 hall

To Book: Twiggles Explorers uses its own online booking system which is not linked to the school or the school website. Unfortunately, due to staffing ratios, Forest school club is unable to cater for children with additional needs that may require all or some 1:1 support.

Use the link below to book your child's place for **Forest School Club- Bonneygrove Primary School**

Equipment needed

- Drink bottle- named
- plastic mug for hot drinks
- torch
- A few small healthy snacks- no sweet or nuts please
- waterproof trousers
- waterproof coat
- long sleeve tops/ thermals and trousers/ leggings- there are mosquitoes about and children may go home with bites or nettle stings.
- old trainers/ walking boots that children can lace themselves or wellies with 2 pairs of socks/ welly liners (no open school shoes)
- spare clothes, especially socks, for if your child gets wet
- a carrier bag with a name on or other waterproof bag e.g waterproof shopping bag
- hat & gloves
- insect repellent (warmer weather only)

It is essential that your children have the correct clothing for forest school. We will call you to collect your child early if they are cold or wet and we can't keep them warm or dry.

What goes on at forest school after school club?

Den building & construction, nature crafts, learning about nature, bushcrafting, cooking over an open fire, team games, hammocks, games in the dark and more! We are completely self sufficient. A hand's free wash station is available in the woods but we have access to the toilets.

What happens when it rains?

We have a large parachute and tarpaulin and we'll all wear our coats & waterproofs. If the weather is very windy or stormy, we'll take forest school indoors where possible or postpone the session. In the warmer months, we ask children wear long sleeve tops and trousers. This helps prevent biting insects and nettle stings. Please be prepared!

See website for all other sessions such as family sessions & holiday-clubs
