Dear Parents and Carers

Prime Virtual Reality Headset Workshop – Wednesday 5th June 2024 – Years Three, Four and Five

At Bonneygrove Primary School, we believe real and unique experiences are an important part of our school curriculum. As part of our upcoming topic in the Summer term we have invited Prime VR Experiences to provide us with a fun and engaging workshop for our Year Three, Four, and Five children. VR offers a 360 degree experience to feel like you are really there using an electronic headset. The immersive nature of VR can help to engage your child in a more interactive way by allowing them to enter an environment, move around and actively engage, which benefits their learning. They do not need to bring anything along on the day as all equipment is provided by the Experience team.

The workshop will take place on Wednesday 5th of June and will help engage the children's learning and interest around this topic. To enable this activity to go ahead we are asking for a contribution of £3.75 to be paid by Friday 3rd May. Please log onto your child's Arbor account under Activities/Trips to make payment. If there are insufficient voluntary contributions this activity will not go ahead.

Yours sincerely

Mrs Beschizza and Miss Peffers
Year Three Teaching Team
