Summer Half Term One 24/25

Mr Wanless and Miss Peffers

English		Maths	
In English, we will be building on our debating skills as we look at a range of different discussion-based texts which will end with an argument based on School Uniform.		In Maths we are continuing to focus on number skills but will also be moving on to understanding decimals and 2D and 3D shapes.	
Reading		Science	
In reading we are focusing on retrieval, vocabulary and inference.		In Science we are focusing on electricity and how to construct simple circuits.	
Art		History	
In Art, we are going to be comparing landscapes paintings by different artists and trying to create our own sunset landscape.		In History, we are looking at Crime and Punishment and how different punishments have changed and been used during different periods.	
Religious Education		Personal, Social, Health and Economic Education (PSHE)	
In RE, we are looking at what is the best way for a Buddhist to lead a good life.		In PSHE, we will be discussing "Relationships" and how they can be impacted and developed.	
Modern Foreign Languages: Spanish		Physical Education	
In Spanish, we are going to be learning how to identify and speak about objects in the classroom.		We will be focusing on skills in Athletics.	
Computing		Music	
In Computing, we will be focusing on word processing skills.		In music we will be learning the song "Blackbird" by The Beatles.
