Dear Parents and Carers

I am writing to update you on the proposed changes to our school times for September 2025/2026, following my recent discussions with the Governing Body.

Having presented the proposals to the Governors, I am pleased to report that they are fully supportive of the changes and can clearly see all of the benefits that these adjustments would bring to our school community. Their endorsement reflects the thorough work that has been undertaken by our working party and the merit of the proposals we have developed together.

However, after careful consideration, I believe that at present the school needs more time to unpick some of the negatively impactful aspects of the proposed changes. While the benefits are evident, it is my responsibility to ensure that we have fully explored all implications and considered alternative approaches before committing to such significant changes to our school day.

I feel it is prudent to look at alternatives to our current proposed changes to ensure we implement the most effective solution for our pupils, staff, and families. This additional time will allow us to address any potential challenges more comprehensively and ensure that the changes we ultimately implement are in the best interests of our entire school community.

Therefore, no changes to the school week will take place in September.

Yours sincerely

Mr Craig Hamilton
