

The World Outside Your Window

- Plant a seed and look after it. Keep a diary of how it is growing.
- Help look after your garden or plants in the house
- "Travel" to another country by researching it and preparing a tourist leaflet to convince someone else to visit.
- Watch the wildlife that passes your window. Make a note of the animals you see.

The Big Question

Think about these questions below—Discuss them with your family

- *What is happiness?*
- *What is beautiful?*
- *What makes science different from other subjects?*

Now think of your own questions like these to discuss with your family

A Moment of Calm

- Practise yoga or meditation
- <https://www.cosmickids.com/>
- <http://www.just-a-minute.org/>
- Take time to notice in detail what is around you while you are at home!
- Cook a meal with an adult and enjoy it together!
- Do a 1000 piece jigsaw
- Complete a colouring activity
- Draw your own version of a famous painting

Keep Busy Together!

- Learn to tie a bow or a tie
- Make your own shop at home. Create a price list for each item
- Change a duvet cover

Bonneygrove Home learning Challenges!

Keep Busy Together!

- Practise telling the time with a non-digital clock
- Plan a movie night as a family
- Play noughts and crosses and other pencil and paper games

Might Oaks

- Ask someone in your family to teach you a new skill! Make a note of how you got better at it.
- Draw a portrait of yourself—label it with 5 things you are good at!
- Discuss one thing you would like to learn in the future. Talk about the steps you will need to follow to achieve this.

To Be Or Not To Be!

- Learn and perform a poem out loud to an audience.
- Learn a song from a famous musical
- Have a family story-telling session each night
- Create a dance sequence to your favourite piece of music
- Perform drama as a character from your favourite book

Fair Play

- Learn a new card game
- Learn how to play chess!
- Design your own board game
- Invent a game that involves scoring a goal—think of different ways to do this. Write your own set of rules
- Build an indoor den! Take a photo to share when you get back to school
