22<sup>nd</sup> June 2026

Dear Parents and Carers

I am writing to update you regarding the current hot weather.

At this stage, we have not received any official information or additional guidance from either the Local Authority or the Department for Education. However, we have put measures in place across the school to help keep the children as cool and comfortable as possible.

All classes have access to drinking water and shaded areas. We have also spoken to the children about avoiding energetic games during break and lunchtime, such as football, and have encouraged them instead to sit in the shade, draw, read, or chat calmly with their friends.

In addition, we have cancelled PE, both indoors and outdoors, as we want to reduce unnecessary exertion and help ensure that the children's body temperatures remain as normal as possible during the heat.

I am aware that a small number of parents and carers have emailed the school to raise concerns. Please be assured that we are monitoring the situation carefully. However, until we receive further notification from the Department for Education or the Local Authority, the school will remain open as normal for all pupils.

At present, Sports Day will still go ahead with the amendments that I shared with you last week. I will, of course, keep you updated should anything change.

Please ensure that your child comes to school with a water bottle, a sun hat where possible, and sun cream applied before school.

Thank you for your continued support.

Have a lovely day.

Yours sincerely

Mr Craig Hamilton  
Executive Headteacher  
Bonneygrove and Millbrook Primary Federation
