6<sup>th</sup> July 2026

Dear Parents and Carers

### **Re: Change to Year Six Presentation Evening and BBQ**

I am writing to let you know that, unfortunately, we need to change the date of our Year Six Presentation Evening and BBQ.

This change is not due to any issue within school but is the result of a national delay to the release of the 2026 Key Stage Two SATs results.

The Department for Education has confirmed that Key Stage Two SATs results, which were due to be released to schools on 7<sup>th</sup> July 2026, have been delayed until 16<sup>th</sup> July 2026. This is because Pearson, the organisation responsible for the national SATs marking contract, has experienced technical issues with its new online marking platform and with transferring pupil data between its internal systems.

As a result, schools across the country will not receive pupils' SATs outcomes until 16<sup>th</sup> July. This means that we will not have the information required to prepare pupils' final reports, awards, medals and presentation materials in time for our planned celebration evening.

Whilst I appreciate this is not ideal and may cause some inconvenience, we wanted to give you as much notice as possible so that, where necessary, you have time to make alternative work or family arrangements.

We believe that changing the date will ensure our Year Six children receive their reports, medals and BBQ together as part of their final farewell to primary school.

We will confirm the new date for the Year Six Presentation Evening and BBQ as soon as possible and will ensure it is communicated to all families promptly.

Thank you for your understanding and continued support. We know how important this event is to our Year Six children and their families, and we remain committed to giving them the celebration they deserve at the end of their primary school journey.

Yours sincerely

Mr Craig Hamilton
