Dear Parents and Carers

Re: Transition Day and September 2026 Class Organisation

As another fantastic school year draws to a close, we are already looking ahead to September 2026.

On Thursday, all children, apart from our new Nursery and Reception, will take part in our Transition Day. Children will spend the day with their new class teacher, meet their new classmates and begin to get to know their new learning environment.

At the end of the school day, Senior Leaders will be around the school site to help direct parents and carers to the correct collection points. Please see the class list below.

Our Nursery and Reception children will meet their class teachers during their Stay and Play sessions.

I would also like to make you aware that Miss Hurry will be teaching Year Two until December 2026. Unfortunately, due to teacher resignation dates, we are unable to appoint an experienced teacher until then. However, the children know Miss Hurry well, as she has been working with them throughout this academic year.

Our current Year Four classes will be organised into three Year Five classes for September. I will complete this split personally, based on what I know of the children, their friendships, learning needs and the needs across the year group as a whole.

Our current Year Five children have already been organised into their Year Six classes. These classes have been arranged carefully around the needs of the cohort, including where adult support is best placed. The groups are not fixed, and children may move into and out of different groups during the year, depending on the needs of the whole cohort.
