10th November 2026

Dear Parents and Carers

An exciting opportunity: rediscover the joy of learning!

I am delighted to invite you to a new learning group at Bonneygrove Primary School, starting after Christmas. I will be teaching these sessions myself, and I look forward to learning alongside you.

The sessions will focus on basic mathematics, English and reading skills, helping you build your own confidence while developing practical ways to support your children's learning at home.

Perhaps you would like to feel more confident with numbers, improve your reading and writing, or better understand the learning your child brings home. You may simply want to try something new. Whatever your reason for joining, you will be warmly welcomed.

School may not always have been a positive experience for everyone. These sessions offer a fresh start: a friendly, supportive space where you can ask questions, practise skills and learn at a comfortable pace. There is no expectation that you already know the answers.

Together, we will:

- Refresh everyday mathematics skills.
- Build confidence with English and reading.
- Explore useful ways to support children's learning.
- Celebrate progress and enjoy learning with other parents and carers.

My hope is that these sessions will help you support your children and give you the opportunity to rediscover a love of learning for yourself. Learning is for everyone, at every age, and your own achievements deserve to be celebrated too.

When: Wednesday mornings, 9.30 a.m. – 11.00 a.m.
Starting: After Christmas
Led by: Mr Hamilton

Cont'd

If you would like to take part, please contact the school office to register your interest:

Email: admin@bonneygrove.herts.sch.uk
Telephone: 01992 307900

The first session date and further arrangements will be shared with those who express an interest.

I would love you to join us. This could be the beginning of something rewarding for both you and your child.

Yours sincerely

Mr Craig Hamilton
Executive Headteacher
