12th November 2021

Dear Parents and Carers

Values-based Education

At Bonneygrove Primary School, we are very excited to be working with our parents/carers, children and staff to create a set of values specific to our diverse community. It is an approach that we believe makes a healthy learning environment for children and develops their social and relationship skills that will last throughout their lives. Our new school values will be celebrated each half term and will be at the forefront of everything the parents/carers, staff and children do throughout the school.

Please can you and your family choose six words that represent Bonneygrove Primary School. Examples would include: - Respectful, Resilient, Honest, Friendly, Supportive and Ambitious - please write your six words on the sheet provided and return to the school office by Thursday 18th November 2021. When we have counted and sorted the new school values, we will let everyone know on Friday 19th November 2021.

During each half term, every child will have a chance to collect 'The Six badges of Bonneygrove', which are directly linked to our school values and awarded during our Thursday 'Celebration Assembly'. When your child has shown they understand and can demonstrate one of our values, they will receive a badge to place on their school uniform.

By using and promoting the values chosen by our school community, children will discover the very best of themselves, which will enable them to be good citizens and prepare them for their lives in the future.

Yours sincerely

Mr Craig Hamilton
