Dear Parents/Carers

National School Breakfast Programme

As part of my ongoing commitment to the school – I believe it is essential for pupils to start the day with a nutritious breakfast. Evidence shows that providing a healthy school breakfast at the start of the school day can improve readiness to learn, increase concentration, and improve well-being and behaviour.

I have therefore signed to school up to the National School Breakfast Programme, where the children will receive a 100% subsidy for breakfast provision until the end of July 2022. The subsidy will then be reduced to 75%, and then the school will contribute 25% of the costs ongoing. All pupils in Bonneygrove Primary School will be offered breakfast 'Bagel at Break' at no cost to their parents /carers. All breakfast products meet the [school food standards](#).

I have offered bagels to children this week as a trial, and they have been very well received. I will order weekly to ensure we have enough bagels for all children.

I am looking for some parents/carers to support the school in getting the bagels toasted and buttered (dairy-free spread) – ready for the children to eat at breaktime. If any of our parents/carers can support us, please contact the office at your convenience. Any support would be greatly appreciated.

Yours sincerely

Mr Craig Hamilton
