Dear Parents/Carers

RE: School Uniform September 2022

After a productive meeting and discussion with parents and carers across year groups recently regarding a slight change to the school uniform for September 2022, the school will be implementing this change for the new academic year (September 2022).

The main reason for the change is to ensure Bonneygrove Primary School and its pupils are represented within the wider community. The new uniform will also give our children a sense of pride and belonging.

From September 2022 – the new uniform will consist of a burgundy V-neck jumper or cardigan (logos are not necessary), a white school shirt and a new school tie. I have now completed the tie design with our school parliament, please see reverse. The school will provide each child with a new clip-on tie before school finishes for the summer holidays. The rest of the school uniform remains the same, and I have included pictures on the reverse to ensure all parents and carers are clear regarding uniform from September 2022.

After speaking to the parents and carers – some had already purchased round neck jumpers (the ones the children currently wear), these can still be worn with the new school shirt and tie until the children have outgrown them. I do not want parents/carers spending any unnecessary monies.

I have also provided links overleaf to some of the local supermarkets who stock jumpers and shirts to ensure all parents and carers know they have a choice of where to buy these items.

Yours sincerely
