*'Broadening Horizons'*

19<sup>th</sup> March 2021

Dear Parents and Carers

The last four years have been eventful; both challenging and rewarding. I am proud that Bonneygrove has improved in so many ways. I am particularly proud of the people who work at our school they have grown from a relatively young and inexperienced staff to confident and inspiring professionals. This achievement along with establishing our exciting vision, our relevant and rich curriculum with concise principles and solid systems and procedures means that we are in a positive and secure place to drive our school development forward in the coming years.

I am confident that we have the capacity, skills and motivation to continue to grow. Our established best practice, our determination and the commitment of our staff means that we have all the requirements needed for success. Our children are eager to learn, love school and have a thirst for adventure and knowledge. Our school would not be on this path to success without the continued impact of our and support of our parents.

It is after serious consideration and deliberation that I have decided to submit my resignation with effect from Tuesday 16<sup>th</sup> March 2021, my contract will end on the 31<sup>st</sup> August 2021. I am able to submit my resignation knowing that Bonneygrove will flourish, will gain the Ofsted 'good' that we deserve, and that our children will continue to not only enjoy school but become the well-rounded, aspirational young people that they should be. I know that we are a 'good' school; my one sadness that I probably will not be here to have gained the public recognition of this.

I do believe that by July this year we will be past the worst of the pandemic and we will have been able to re-establish our routines and much missed traditions. I know that Bonneygrove is in the right place to take on new challenges and embrace a brighter and more settled future. Throughout my career, I have been proud of my profession, I have invested not only my time and commitment but also a great deal of passion. As a profession we are caring, kind and compassionate; qualities that I admire and that I never underestimate and all of which I see in abundance at Bonneygrove. Demonstrating courage, compassion, resilience and an unerring desire and determination to make our school, community and ultimately the world a better place has always driven me. Turning adversity to advantage has been this year's theme but it is so much more than a theme it is an imperative. It is with absolute confidence that I can assure my successor that with our current team this can be a reality.

I would like to assure you that I will work diligently alongside our Governors, the local authority and our entire staff to ensure the effective transition for my leadership to my successor. Whilst I will not be returning to Bonneygrove in September I will continue to make decisions and act in a way that pursues the best interests and best possible outcomes for our children and all stakeholders. I will advocate and promote 'broadening horizons', creating strong and lasting memories and our three core principles to be safe, to be kind, and to be brilliant. I sincerely hope and wish brilliant Bonneygrove every success in the future.

Kind regards.

Amanda Gable
