

21st June 2021

Dear Parents and Carers

I have received communication today from Hertfordshire County Council regarding planned events in schools. This information had clear guidance that these are not allowed to proceed until the next stage of the roadmap, and as such, I need to cancel the school discos that we, as the PTA, had organised and were set to take place on 7th July 2021.

As a parent at the school, I understand that the recent news from school about family members not being able to attend sports day and now this are very disappointing for us all, but I can assure you that these decisions are not made lightly and we have to follow guidelines given to us to protect our children.

The children's sports day will still go ahead and I'm sure the teachers will be shouting louder than ever before to support our children, and I can guarantee that as soon as we are able to, we will be continuing with many events to enrich the children's education and make their schooling as enjoyable as possible.

Thank you for your continued support in the events that we have been putting on to raise money for all our children at Bonneygrove. If you wish to discuss this with me further, please email me at Bonneygrove-pta@outlook.com

Yours sincerely

Janet Crosland-Barrett
Chair of Bonneygrove PTA
