Bonneygrove Primary School

'Learning and achievement for all'

2017/2018

BONNEYGROVE PRIMARY SCHOOL

Primary Physical Education and Sport Premium

The highest standards of learning and achievement for all"

At Bonneygrove we want all of our children to enjoy healthy and fulfilling lives. We want our children to enjoy participating in physical activity, understanding its benefits whilst fulfilling their potential and developing exemplary sportsmanship.

We encourage participation through:

- Building the capabilities and competencies of our teachers to deliver high quality games and PE lessons to develop skills and fitness
- Developing a range of extra-curricular and lunchtime clubs around the school day including: Speed stacking, football, netball, cheerleading, street dance, gymnastics and stretch and grow.
- Taking opportunities across our curriculum for children to enjoy active and healthy activities
- Swimming is part of our curriculum across Lower Key Stage 2
- Organising an annual Sports Days allowing all children the opportunity to participate and compete against other children

We also encourage high levels of participation in sports and competition through:

- Delivery of a high quality games and PE curriculum where children regularly have the chance to participate and compete against one another in a competitive sporting environment
- A range of sports competitions which include: cross country, football, netball, speed stacking, cricket and athletics.
- We are members of the WDPSSA, YST and A10 which have a programme of inter-school competitions for a range of sports
- Participation in the local Football and Netball leagues for children in KS2
- Our children compete at all levels – intra-school, inter-school and at county level.
- Excellence is achieved through supporting children to work with other sporting organisations – e.g. Saracens
- We celebrate all our childrens' sporting achievements through sports newsletters, assemblies and recognition in our trophy cabinet and make sure that keeping active and healthy remains central to our vision.

BONNEYGROVE PRIMARY SCHOOL

Primary Physical Education and Sport Premium

The highest standards of learning and achievement for all"
