Beginning and End of the Day

- We have a 'soft start' - children should arrive between 8:35-8:45
- **Collection:** Anyone collecting children should be on our Collection List. If other arrangements are needed, please notify the office and class teacher, so we know who will be collecting them.
- If you are held up, please let the school know so we can reassure the children.
- Short messages on the door are fine, but if you wish to speak to staff at longer length, please call the office to leave a message and we will get back to you.

Bonneygrove Primary School

Absence

- At Bonneygrove we strive for 100% attendance where possible.
- If absence is unavoidable, a letter or phone call to the office must be provided to explain why the children are off.
- If no letter or phone call is received, an 'absence slip' will be sent home to be completed. The office may ring you on the day if there is no notification of absence.
- No holidays will be authorised through the year (DfE expectations). Any request for exceptional circumstances must be discussed with the Head teacher or Deputy head.
- Bonneygrove School sets dates for term time as recommended by the local authority – these are available on our website.

Bonneygrove Primary School

Communication

- If you have not done so already, we **strongly** advise that you sign up to Wisepay with the school office as this ensures good letter communication, saves trees and allows you to pay for some activities online as well.
- Important letters will be displayed in the classroom window and are available on the school website.
- Please remember to check your child's bag daily.
- All letters to school should be passed to the class teacher/TA or given to the office.
