30th November 2018

Message from Mrs Gable.

Winter has certainly set in; with plenty of rain and wind to welcome the Season. Despite the gloomy weather our roofing work is coming along well; we are on schedule to finish in January ready to begin the year with a smarter and water tight roof.

Rocking it!

+ - x ÷

After a very successful trial with years 5 and 6 we have launched our 'Times Tables Rockstars' computer program/app to all KS2 children. It is a great way of building up speed and accuracy in times tables. Please use it! There is so much of the maths curriculum that children will not be able to manage without knowing their tables. Children in year 3 will be the first to take the Government's new National Times Tables Test when they are in year 4. This will be a computer test a bit like the 'rockstars' so its good practise for them.

Thank You Angie!

After many years as Chair of FAB Angie Burnet is stepping down. Angie and the team at FAB work hard all year round to hold events that provide entertainment, special experiences and make money for our school. A big thank you for all your hard work.

Christmas Fayre

Our Christmas Fayre is next Friday,
7th December.

Thanks to our generous parents/carers we have lots of lovely stalls and activities to enjoy along with some fantastic raffle prizes.

Please come and support us to raise as much money as we can towards improving our school.

6N Broadened our Horizons

The theme of 6N's assembly sent a clear message about the ways that our curriculum builds long and lasting memories. The children in 6N wrote their own assembly to illustrate their learning so far this year. They have certainly crammed a lot into a short time.

Winter Coats- The playground can get very chilly in winter, but we still go out for fresh air and a run about. Please make sure your child has an appropriate coat and clothing e.g. :tights, hat and gloves (all clearly labelled with your child's name).

Winter PE Kits - Please send in a pair of tracksuit bottoms and a sweatshirt in your child's PE kit. These should be a plain dark colour and should not have large logos on them.
